EXHIBITION: *Marjolijn de Wit: Pots Are Not People*, Asya Geisberg Gallery, 537b West 23rd Street, April 23 – May 23, 2015

Artist Marjolijn de Wit marries the practice of photography and sculpture with this innovative collection of collage-based artworks. Here, she employs ceramic materials that have been photo-printed in an exploration of history and nature. Hand-made ceramic pieces are integrated into found landscape photographs to produce evocative yet ambiguous archeological forms of our modern era.
