## 'CAROLYN CASE: HEAT AND DUST' AT ASYA GEISBERG GALLERY

BY *Katherine McMabon* POSTED 04/09/15 11:30 AM

Today's show: "Carolyn Case: Heat and Dust" is currently on view at Asya Geisberg Gallery in New York until April 18. Case's travels to Tehran became the catalyst for her modified palette and conceptualization of space. Case's elaborate and beautiful canvases are transcendent and suggest an extravagant world outside of the picture plane.
